WOMEN RIOTERS RAID CLOSED HAMBURG SHOPS

LONDON, Sept. 15.—An Amsterdam dispatch to the Exchange Telegraph company says:

"Serious food riots occurred at Hamburg yesterday evening. According to Berlin reports a mob of angry women raided shops that had been closed owing to a shortage of meat and vegetables, while another crowd demonstrated before the town hall shouting 'down with junkies'."

"Down with the people's torturers." Thirty-seven women were arrested. Two policemen were badly injured by stones thrown from windows.

I. W. W. MEETING RAIDED; 318 MEMBERS ARRESTED

SCRANTON, Pa., Sept. 15.—A meeting of the Industrial Workers of the World in Old Ford yesterday was raided by Sheriff Ben S. Phillips, deputies and twenty state troopers. All men in the hall, 318, were arrested and taken to the Lackawanna county jail, charged with riot.

The authorities had issued orders that the meeting was not to be held. The prisoners attempted to escape but offered no serious violence.

The I. W. W. has been trying for two weeks to tie up the Jernyn company collieries. The employees were

about evenly divided between the I. W. W. and the United Mine Workers. The latter would not join in the strike and the I. W. W. pickets, by assaults and various forms of intimidation, it is alleged, sought to keep them away from the mines.

Two Routes for Colonel Discussed

NEW YORK, Sept. 15.—In making plans for Theodore Roosevelt's campaign trip in support of Charles E. Hughes, alternate itineraries are being

considered. One of them would carry the colonel to San Francisco, with speeches at Chicago, Denver and other cities on the way. The other contemplates a tour to the middle states with a side trip into the northwest and a return by way of Missouri and Kentucky. Colonel Roosevelt, it was learned today, told Chairman Willows of the republican national committee, he is willing to go to California if necessary.

The Want Ads will sell summer homes and rent furnished apartments during any season of the year.
